Parking

Please use the SLS car park at the end of the Calmore Junior School car park, by the SLS sign and blue gates opposite the playing field. (Passed the bicycle shelter that is set back on the left and near the waste and recycle bins on the right!) All visitors need to ring the bell for attention.

If the SLS car park is full, visitors need to use the large car park at the top of Nutshalling Close which is off Calmore Drive opposite the pub. They will need to walk through the blue school gates and past the Infant School on the left and then past the Junior School reception signs on the right, continuing down to the SLS entrance at the end.

To Note: The school gates are locked between 8.15 and 9 am then again between 2.45 and 3.15 pm.
