

## Hampshire Information Book Award 2019

Schools subscribing to Hampshire School Library Service are invited to participate in the Hampshire Information Book Award 2019. The award, now in its 7th year, is for Year 4 pupils. It is designed to allow pupils access to inspirational and imaginative non-fiction books, and to decide the winner themselves.

Teacher feed back from 2017 award

**'Children learnt to use suitable language to critique the ( information) books that they were studying while explaining their reasons.'**

**'The children really enjoyed being judges and this process gave them a real purpose and a different aspect to their reading. Also it gave then the opportunity to read books that they may not normally pick up and take interest in.'**

The award aims to

- develop pupils' critical abilities of non-chronological texts using speaking and listening skills.
- develop skills enabling children to evaluate information sources.

- celebrate the value of information books in an electronic age.

**Participating pupils will:**

- be involved in focused class discussions
- participate in linked, cross-curricular activities provided by SLS
- judge and vote according to the evaluation criteria
- receive a bookmark showing the shortlisted titles and extended reading
- receive a certificate celebrating their individual contribution to the 2019 award

**Participating schools can expect:**
