

eBook & eAudio Rollout for Primary Schools

Free - half day course

HCC_CCBS_SLS_SLS_02300CRS

The rolling out and embedding of eBooks & eAudio within the Primary School Library and how the platform should be operated within the school.

The launch events are free and are aimed to provide an overview of the eBook & eAudio platform and will include the following:

- Student enrolment methods
- An overview of the management tools
- Suggestions on student launch
- Suggestions on possible use for Teaching and Learning
- Points for SLT's to consider regarding in school use
- An overview of the shop and how to build your own collection

This event will be run by Hants SLS Digital Team in association with Wheelers UK. Hampshire SLS's eBook & eAudio ePlatform will be set up in a hub and spoke arrangement, with our central collection sitting at the hub; then schools set up as spokes. Our central hub collection will be the largest and broadest education consortium platform in the UK. Each school will be a spoke and will have access to our collection as well as being able to purchase eBooks to build their own bespoke collection.

The ePlatform has dual use, both for 'reading for pleasure' and 'teaching and learning'.
