

Libresoft Librarian Workshop (HCC_CCBS_SLS_SLS_01843CRS)

This half day workshop provides supportive training on the Libresoft library management software, to enable schools to get more effective use and value from this resource. The course will enable delegates to understand the wide range of uses for this library package and how to implement the functionality in a school setting. Delegates will determine their own objectives and work through a workbook, guided by members of SLS staff.

Outcomes: By the end of this course, you will be able to confidently administer your Libresoft library management system to enable the smooth running and management of your library.

The course is aimed at Library Managers, Library Assistants and teachers with library responsibilities at KS1 and KS2.

Venue: Chilbolton Room, Castle Hill, Winchester SO23 8UH

Dates: 11 Jun 2019 9.30 – 12.00pm
